

Frontline Education is a leading provider of school administration software and services purpose-built for K-12 to support the growth of people and optimize the management of processes. With solutions for human capital management, student management, and business operations, Frontline partners with school systems to deliver tools, data and insights for greater efficiency, productivity, and performance resulting in more time for initiatives that matter to the education community.

Frontline's broad portfolio includes solutions for proactive recruiting and hiring, absence and time, professional growth, student information systems, special education, special programs, Medicaid reimbursement, school health management, payroll, benefits and financial management. Educational organizations representing over 80,000 schools, millions of educators, administrators and support personnel have partnered with Frontline Education in their efforts to develop the next generation of learners.

Frontline Education corporate headquarters are in Malvern, PA, with offices around the US.
